

SEYMOUR COMMUNITY SCHOOLS
 SPECIAL PERMIT
 (For prearranged absence from school)

The parents of _____, grade _____ have made the necessary
 arrangements for this student to be absent from school on _____ through
 _____.

It is understood that the student will get assignments from teachers prior to the absence and will have them
 complete to give to the teachers upon returning to school. It is further understood that failure to admit these
 assignments will result in a zero.

Any tests missed must be taken at the convenience of the teacher as soon as possible after returning to school
 or before leaving. However, grades are not to be deferred at the end of a nine-week grading period nor at the
 end of a semester because test missed. If such tests are missed, grades will be determined without benefit of
