

## **Veterans Day Information**

Seymour Middle School is preparing for our upcoming **Veterans Day** program. The program will occur on Monday, November 12th from 2:40 to 3:30. Please arrive between 2:15 and 2:30. Park in the main parking lot and enter through the main office (DOOR 1). Our program will include the SMS 8th grade band and choir. In addition, we will have Colonel Mary Devlin and Lieutenant Colonel Max Moore as our guest speakers. We want to inform our students and their families of 2 ways you can be a part of our special program.

**First**, we want to honor veterans and those currently serving in the United States military by placing certificates on our building's hallway walls. The information needed for each certificate is veteran's name, branch, and when and where the family member or friend of the family served. Students will complete certificates in one of their core classes. Please send the information with your child as soon as possible

**Second**, we want to invite all veterans and their family members to our program. To help us know how many guests to expect on Monday, November 12th, please contact SMS in one of the 3 ways listed below.

1. Call SMS with your name and number of guest - 812 - 522 - 5453 extension 2220 (or main office).
2. Email - [munozm@scsc.k12.in.us](mailto:munozm@scsc.k12.in.us) with name and number of guests
3. Return information on this letter to Mrs. Munoz (main office).  
Veteran's name and number of guests attending program -

---

Thank you!

Mr. Kleber
