

An Amazing After-School Opportunity!

Mystery Chasers is a program offering young students an opportunity to work with business professionals, have hands-on experiences, and learn about different job opportunities.

Designed for Select Students

Mystery Chasers is designed for a select number of Jackson County 4th thru 6th grade boys and girls. Upon completion of the program, students will receive a Certificate of Achievement, which can be included in student portfolios for college admission or resumes for future employment.

Eligible Students

The following selection criteria has been suggested:

- No behavior problems.
- Recommendation by club counselor/administrator.
- Good school/club attendance.
- A personal commitment to attend all sessions.
- Club(s) will also require parental signature releasing club(s) from liability for injury or property damage.

MYSTERY CHASERS

Learning Format

- Students will be supervised throughout the experience by industry/healthcare/business professionals.
- Learning will be conducted using a combination of group and individualized sessions.
- Professionals will assist students individually as they progress through the material.
- Group sessions include activities such as presentations about design process and engineering-related careers as well as discussions of student results and analysis.
- Classes will meet at designated club(s) every Wednesday.
- A maximum of 25 students per session.
